

PHILIP GREEN

Actor / Writer / Producer

631-356-5371

BIO

Phil Green is an accomplished actor who has appeared in numerous feature films, known for delivering grounded, authentic performances. With more than 30 years of professional experience in surgery, trauma, and critical care, he brings a rare level of realism to roles involving high-stakes medical or emergency scenarios. Phil Green is the kind of actor producers rely on—not only for compelling performances, but for the confidence that he will enhance the project as a whole.
